Women have been an integral part of engineering for decades, and even today, their contributions go unnoticed. To defy this stereotype, close the gender gap and honor our women employees, Conserve Solutions celebrated Women in Engineering Day on 23rd June 2022. We would like to thank all our female employees for their contributions towards our company.

WOMEN IN ENGINEERING DAY

Our female staff cut a cake to commemorate the occasion. Following this, Mr. Muthu Kumar, Manager, and Ms. Mekala, Admin Executive, addressed the crowd to discuss the challenges endured in the past and what has to be done going forward to stop such practices from continuing in the modern engineering world.

ANNIVERSARY CELEBRATION

Conserve Solutions sets foot into its 7th year!! To commemorate this feat, the employees of Conserve Solutions and Conserve Academy, Chennai were taken to VGP Golden Beach Resort, Injambakkam.

The event started at 11 am. Various fun events were organized for the employees to bring out their competitive spirit and improve inter employee bonding. The employees were split into 5 teams and more than 10 minigames were conducted in which all the employees participated and had a lot of fun. These mini games included balloon crushing and walking while wearing a blindfold.

ANNIVERSARY CELEBRATION

Those events were followed by lunch. After this the employees were allowed to explore the VGP complex and further processions started at 5 pm. An award ceremony was conducted to honour our employees who excelled in their fields in the past quarter and the past year. Mr. Naveen Kumar Ravichandran, Manager- International Operations, Conserve Solutions addressed our staff about Conserve's past and what the company is planning to do in the next year. The ceremony ended at 8 pm with a cake cutting and a group photo session.
