### ABOUT OUR COMPANY

Conserve Academy, a part of Conserve Solutions, creates passionate trained engineers with leadership quality and problem solving skill. You can gain a Pragmatic-based learning on every aspect of engineering modules. We nurture your career, to stand up in the competitive world. Conserve leads your path to reach your destination on the dot.

# MoU WITH AGNI COLLEGE OF TECHNOLOGY

Conserve Solutions and Agni College of Technology have signed a Memorandum of Understanding (MoU) for training and placements for the students of Agni College of Technology from mechanical engineering. This MoU is valid for five years and gives access to Conserve Solutions to appear for On-campus interviews and induct students into their academy for training and placements of these students through the Graduate Engineer Training program.

This MoU was signed and exchanged by Mr. Naveen Kumar, Manager- International Operations, Conserve Solutions and Dr. Srinivasa Alavandar, Principal of Agni College of Technology. Mr. John Victor, General Manager, Conserve Solutions, and a few other professors from Agni College of Technology were also present during the time of signing.

# WORKSHOP AT AGNI COLLEGE OF TECHNOLOGY

Conserve Solutions conducted a workshop at Agni College of technology on the basics of Piping Engineering on 28th April 2022. This was presented by the Conserve Academy team. A brief about Conserve Solutions, along with the basics of Piping Engineering was explained to the students who were present. The requirements for a piping engineer, along with various piping projects completed by Conserve were also highlighted. The students were shown light to the various career opportunities piping engineering could provide both in India and in foreign countries.

# ON CAMPUS INTERVIEW AT HIET POLYTECHNIC

Conserve Solutions conducted a campus drive in Hindustan Institute of Engineering Technology Polytechnic College on the 23rd of May 2022. The students who were present were given a brief description about our company and were informed about Conserve's various placement programs. This was headed by Mr. Naveen Kumar Ravichandran, Manager of International Operations at Conserve. Other staff members of Conserve Solutions were also present during the event.

The pre-placement talks were followed by a four round filtration process of the students, where a number of their skills were tested. Their aptitude was tested in their first round followed by HR interviews. The shortlisted students were then scrutinized on their technical knowledge, and then their practical knowledge.

# ON CAMPUS INTERVIEW AT HIET POLYTECHNIC

## Attendees

Mr. Naveen Kumar Ravichandran  
Manager- International Operations  
Conserve Solutions

Ms. Mekala  
Admin Executive  
Conserve Solutions

Mr. John Victor  
General Manager  
Conserve Solutions

Mr. Thariq Mohammed  
Business Development- Indian Operations  
Conserve Solutions

Prof. K. Sundararajan  
Principal  
HIET Polytechnic

Ms. Maria Jenitha  
Training Coordinator  
Conserve Solutions

Mr. Rajesh  
HR Manager  
Conserve Solutions

Mr. Murali Kannan  
BIM Modeler  
Conserve Solutions

## As it happened

The pre-placement talk started at around 11 am and went on for 30 minutes. This was followed by a technical aptitude test, which contained multiple choice questions to be solved in an hour. After analyzing the results, the students who cleared the test were selected for the second round. In the second round, HR interviews were conducted where their problem solving and attitude was analyzed. Around 1:30 pm, a lunch break was given to the students. The third round started at 2 and the students were scrutinized on their technical knowledge. This was followed by the final practical round where the tool knowledge of the students was judged. The process concluded at around 4 pm.

## Students selected

Conserve Solutions selected 2 students from HIET polytechnic after the campus placement process.

1. Santhosh S

Department: Automobile Engineering

Selected for: GDT

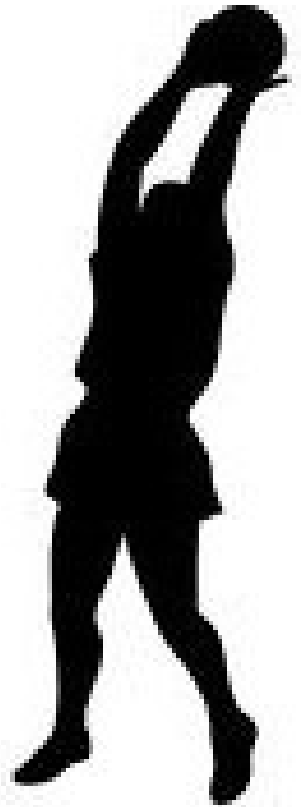

2. Tamil Selvan.N

Department: EEE

Selected for: GDT

# SPORTS DAY EVENT

*Sports is a very important aspect in life and Conserve Solutions understands its significance. Thus, a sports day was organized to promote awareness about fitness goals and improve team cohesion among the employees.*

# SPORTS DAY EVENT

# STUDENTS PASSING OUT

A. Hakkchaiyaa

Course Completed: Solidworks  
Duration: 1 month  
Mode of training: Online

Sathishkumar Velusamy

Course Completed: Revit MEP  
Duration: 20 days  
Mode of training: Online

*We heartily congratulate them on  
completion of their courses and  
wish them the best of luck for their  
future!*
